Introducing

 **EU-CiP**

Part of the European Cancer Patient Digital Centre

The
**EU Cancer
Information Portal**
project

We are building
a home for
**reliable cancer
information**
in the European
Union.

Funded by
the European Union

Because we need
to address the
information needs
of cancer patients,
survivors, relatives,
and caregivers.

Funded by
the European Union

Our goal is to facilitate access to **general and personalised knowledge** on cancer prevention, diagnosis, and treatment options.

Funded by
the European Union

We will create a
common **Library of
Contents** available
to all EU Member
States.

Funded by
the European Union

EU-CIP will also raise awareness of the **EU Cancer Mission** and Europe's **Beating Cancer Plan**.
